## BEFORE YOU START

Ready to get started?

**Applicants for the BAS degree must have met the following requirements:**

- Earned at least an associate degree from an academic transfer or career/technical program or completed at least 90 college-level credits from an academic transfer or career/technical program(s)

**And have completed the following prerequisites:**

- At least one 100+ level math course with a minimum grade of 2.0
- [ENGL& 101](#) or the equivalent course with a minimum grade of 2.0

If you have questions about your eligibility, we strongly encourage you to consult a [Completion Coach](#) for more information.

### Application Deadline

Each program reviews completed applications and admits new students throughout the academic year. While new applications are continuously reviewed, applicants are strongly encouraged to submit their applications early; seats in these classes can become very limited as we approach the beginning of each quarter. In order for your application to be considered, all steps must be completed with the required materials submitted **one week prior to the first day of each quarter.**

## Requirements Checklist

- Completed online CBC Application for Admission (for new CBC students only)
- Completed [CBC BAS application](#)
- Official transcript(s)\*, sealed, verifying;
  - Your completion of two-year degree and/or all other college credits earned
  - Your completion of the program prerequisites, if applicable
- Resume (maximum three pages)

*\*For applicants who are current/past CBC students or CBC graduates: If you already have your academic records at CBC (e.g., CBC courses, courses from other institutions), you are NOT required to submit official transcript(s) with your application.*

*\*You may submit your application while waiting for your official transcript(s) to arrive. The application will not be processed until the transcript(s) are received. Official transcripts must be received in a sealed envelope or sent electronically through our Washington State Student Management System (SMS), or authorized online service provider.*

## Instructions

1. Complete the online CBC Application for Admission. (Note: if you are a current CBC student you do NOT need to submit a CBC Application for Admission).
2. Receive CBC Student ID Number via your CBC acceptance email (after your admissions application has been processed).
3. Submit the [BAS Application](#) with all required documents listed in the Requirements Checklist via postal mail or in person.

## ABOUT THE PROGRAM

Do you thrive on responsibility or excel in leadership roles? CBC's Bachelor of Applied Science (BAS) in Applied Management gives you all the skills, tools and practice you'll need to achieve career success – be it by finding the job of your dreams, or by earning that next big promotion at work. Learning from our exceptional faculty in settings designed to allow you to learn through practice will help to ensure you stand out to employers while giving you the skills you need to be confident in the workplace of today and tomorrow. Through the course of this program, you'll learn to effectively plan projects, organize resources, lead people and evaluate performance. You'll learn how to manage money, information, materials and people in state-of-the-art applied ways to give you the experience and confidence to succeed in your future managerial roles.

## OUT OF CLASS TO DO'S

- Contact your instructors and/or the CBC Career Services Center to find an internship, observation/shadowing experience, or a job in the field of project management.
- Visit the Academic Success Center for quiet study space, small group study, supplemental instruction and tutoring assistance.

## CAREER OPPORTUNITIES

Occupations in Applied Management encompass a wide variety of skills, roles, clients and settings including: Retail Manager, Healthcare Operations Manager, Human Resources Manager, Financial Manager, and Information Manager.
