The plan above is only a sample. If you want to see all of the courses we offer, please visit our online catalog [here!](#)

BEFORE YOU START

Ready to get started? To begin working towards the AA-DTA degree, you simply need to apply and be accepted to CBC. You can apply online at www.columbiabasin.edu.

ABOUT THE PROGRAM

The Pre-Medicine emphasis at CBC is designed for students who want to become physicians. The Doctor of Medicine (MD) degree, or its equivalent, must be earned to become a physician. While the requirements below meet standards for many transfer schools and medical programs, students wishing to earn the MD degree must determine their schools of interest and complete the required coursework for those programs.

OUT OF CLASS TO DO'S

- Begin researching transfer and medical schools of interest early to be certain you meet their prerequisite course requirements and admission deadlines.
- Consider working with the CBC Career Services Center to find an internship, observation/shadowing experience, or a job in the medical field.
- Visit the Academic Success Center for quiet study space, small group study, supplemental instruction and tutoring assistance.

CAREER OPPORTUNITIES

The medical profession offers a wide variety of exciting, challenging, and rewarding career options. Although the environment in which medical services are provided has been changing rapidly and will continue to evolve, the physician's role as diagnostician, healer, and patient advocate remains central to the provision of health care in our country. Although most physicians provide direct patient care, some MD degree recipients concentrate on basic applied research, medical education or administration, or some combination of these areas.

FAQs

Class Times/Delivery Format

Classes are offered in a variety of formats, including in-person, online and hybrid.

Length of Program

Full-time students can complete the AA-DTA in two years. Medical programs typically require an additional four years of school post-bachelor's degree at an accredited MD program.

Which Quarter Can I Begin?

You can begin any quarter!

APPLY FOR FINANCIAL AID OR OTHER FUNDING

Please complete:

The FAFSA application: The Free Application for Federal Student Aid (FAFSA) provides financial aid for U.S. citizens and eligible non-citizens, such as permanent residents. Visit the [FAFSA website](#) to create your FSA ID and to complete your application.

OR

The WASFA application: The Washington Application for State Financial Aid (WASFA) is for DACA or HB 1079 undocumented students. Visit the [Washington Student Achievement Council website](#) to complete your WASFA application.

Did you know??? You can apply for CBC scholarships two times every year! Click [here](#) for more information!

PLEASE NOTE: This document represents a sample plan for degree completion with this program of study. Actual course selection and sequence may vary and should be discussed individually with your Completion Coach. Completion Coaches can also help you plan other experiences to enrich your education such as internships, research, learning communities, and campus involvement and community-based learning.

Office Hours: Monday to Thursday 7 am to 4:30 pm; Friday 7 am to noon
