ABOUT THE PROGRAM

If you are interested in transferring to a four-year college to complete your Elementary Education Bachelors degree, you can earn your transfer degree (AA/DTA) with CBC first. You will work with your Completion Coach to make certain you are completing the general education requirements for your AA/DTA while completing prerequisite courses for your four-year college of choice.

OUT OF CLASS TO DO'S

- Contact your instructors and/or the CBC Career Services Center to find an internship, observation/shadowing experience, or a job in the education field.
- Research transfer schools of interest with your Completion Coach.
- Visit the Academic Success Center for quiet study space, small group study, supplemental instruction and tutoring assistance.

CAREER OPPORTUNITIES

Upon successful completion of your four-year degree, you will be certified to teach Kindergarten-grade 6 in the state of Washington. There is currently a shortage of educators in Washington, so teacher education graduates are in high demand.
