## **BEFORE YOU START**

Ready to get started? To begin working on the Early Childhood Education pathway, you simply need to apply and be accepted to CBC. You can apply online at [www.columbiabasin.edu](http://www.columbiabasin.edu).

## **ABOUT THE PROGRAM**

At CBC, we build our community of early childhood educators one quarter at a time. With stackable certificates and degrees, you'll develop your knowledge and skills in the field of Early Childhood Education (ECE) in a meaningful progression.

### **ECE Program Highlights:**

- [Certificate programs](#) combine theory and practical experience with emphasis placed on active student involvement.
- Coursework includes participation, observation and practical experience.

## **OUT OF CLASS TO DO'S**

- Contact your instructors and/or the CBC Career Services Center to find an internship, observation/shadowing experience, or a job in the education field.
- Research transfer schools of interest with your Completion Coach.
- Visit the Academic Success Center for quiet study space, small group study, supplemental instruction and tutoring assistance.
- Before student teaching (ECED 479) students must complete a criminal history check.
- By the end of March of the third year, students complete pre-residency clearance with the OSPI. Contact the Early Childhood Education department for more information.

## CAREER OPPORTUNITIES

Early Childhood Educators will find their skills and talents necessary and relevant to several careers. From child care center assistants to operating your own family home child care, educators have many options in their future.

Our programs support the Washington State Department of Children, Youth and Families (DCYF) Early Childhood Education (ECE) Statewide Credentials and are aligned with the Washington State Core Competencies for Early Care and Education Professionals, allowing you to work through a series of up to three stackable certificates.

As you develop your ECE credentials through our program, you'll find different career doors open to you. Some of the options available to ECE students and graduates include:

- ECEAP Assistant Teacher
- Family Home Child Care Operator
- Lead Teacher
- Child Care Center Director

Upon completion of the BASTE degree, students will be eligible to teach birth through grade 3.

For an overview of career paths and their education requirements in Washington State, visit the [ECE Career site](#).

## APPLY FOR FINANCIAL AID OR OTHER FUNDING
