EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: On April 19, 2024, the U.S. Department of Education released its Final Rule under Title IX. This rule requires institutions of higher education to adopt student disciplinary procedures addressing sex discrimination, including sex-based harassment. The deadline for implementing this new rule is August 1, 2024.

In addition to complying with the new Final Rule, the college is updating its Title IX Hearing Procedure for Students to address jurisdiction and prohibited conduct changes. These new definitions of prohibited behavior and updated procedures are necessary to address conduct that may pose a threat to the general welfare of the college community and/or college operations and to protect the constitutional and procedural rights of individual students.
